Fairview High School provides an educational program which helps its students to develop the academic skills and personal qualities necessary to participate responsibly and intelligently in a democratic society. Our program attempts to develop the knowledge, skills and attitudes that are required for higher education and the world of work. The education which Fairview students receive should enable them to meet and understand the demands of a changing world. The faculty and administration strive to foster a climate in which creativity can flourish. The school encourages students to develop the physical and emotional well-being that will allow them to become responsible parents. The school recognizes its responsibility to strive for effective communication between the school and the community. In addition, Fairview endeavors to foster intellectual curiosity which will continue throughout life.

Fairview High School does not discriminate on the basis of race, color, sex, national or ethnic origin in the administration of its policies, acceptance of its teachers or the admission any students applying for or registering for classes offered.
